SUBJECT: Billing and Claims for Anatomic Pathology Services.

FIRST AUTHOR: Sen. Miller

FIRST SPONSOR: Rep. C. Brown

BILL STATUS: Enrolled

FUNDS AFFECTED: **GENERAL**
 DEDICATED
 FEDERAL

IMPACT: No Fiscal Impact

Summary of Legislation: This bill provides that an "eligible institution", for purposes of the anatomical education program, must be an educational institution located in the United States. (Current law requires the institution be located in Indiana.)

Effective Date: July 1, 2009.

Explanation of State Expenditures: The bill would allow an anatomical education program to provide cadavers acquired in the state to colleges, universities, or other educational institutions located in the U.S. that operate certain accredited health education programs. Current law requires that cadavers may only be provided to qualified in-state educational institutions.
